

March 2015

GLIMM SCREENS BV IN EGYPT

Showroom in Cairo

Glimm Screens BV now presented in Egypt with Masria Integrated Solutions with new showroom in Cairo!

Glimm Screens BV and Masria Integrated Solutions in Egypt have agreed upon an exclusive distributorship for Glimm Products and further developments.

Our CEO Mr Bjorn Bijster and Mr Ahmed Bishara ,general manager of Masria believe there is a great opportunity in the Egyptian market especially in new ways of branding by holographic projections.

www.masriasystems.com

Masria Integration Solution visited Glimm Screens Netherlands in March 2015 for a training on holographic products and signed a partnership contract.

Masria is a company who was dealing already with Holographic Logos on cards and because they had a lot of request for real life Holograms they took the opportunity to get a full training on the Glimm academy in Haren (The Netherlands).

They will start with a nice showroom in Cairo to represent the products. The first products that will be shown are: Holographic window, Virtual mannequin and the Interactive table in Cairo city.
